CRTS China 2013 (The 9th China International Rail Transit Technology Exhibition)

Date: 28-30.4.2013

Venue: Shanghai World Expo Exhibition & Convention Center, China

CRTS CHINA 2013 (The 9th China International Rail Transit Technology Exhibition) will be grandly held in Shanghai World Expo Exhibition and Convention Center from April 28th to 30th, 2013. With convenient transportation and traffic, the largest modern city Shanghai is the idea place for CRTS CHINA, and Shanghai Expo would be the best venue to display.

The first CRTS CHINA was held in 2005 and has been successfully held for eight times. It was held one time each year, once in Shanghai and once in Beijing next year. CRTS CHINA is the only rail transit exhibition jointly approved by the Ministry of Science and Technology & the Ministry of Housing and Urban-Rural Development of the People’s Republic of China. And it is the only comprehensive industry exhibition integrating railway and urban rail transit in China and also the only international rail transit exhibition based in China and focused on Asian procurement markets. With the full support of many industry associations both at home and abroad, CRTS CHINA has become an important platform for companies to enter emerging markets in China and Asia and to establish international networks.

CRTS CHINA is a international focused exhibition for rail transit engineering industry. It is one of the major exhibition in China that exhibits railway technology, vehicle component and systems etc, is also a international platform for trade and cooperation which deserving
the No.1 rail transit exhibition in Asia.

The area of CRTS CHINA 2013 will be more than 36,000 square meters, and will attract over 40,000 visitors. More than 10 activities and summit forums during the same period will explore and analyze market highlights to open up more channels of communication for all the customers.
